Lunch Account Balance:

It is important that lunch account balances be maintained as a positive amount. Once an account reaches \$5.00 the family/student will be notified that the account is getting low. Negative balances of \$10 for an individual account or \$20 for a family account will result in an alternate but approved meal being served to the student until the account balance is positive.

To access your lunch account and/or make deposits online, call the high school or email: sue.ellingson@se-warren.k12.ia.us. You may deposit any amount into your family/student account.
