Academic Team

Kudos to our 2016 Academic Team of Lane Dittmer, Sean Gardner, Elise Emmick, Lauren Hartman, JT Rowe, Drew Kelso, and coach Pam McCombs for two big wins so far this year.

SEW Academic Team

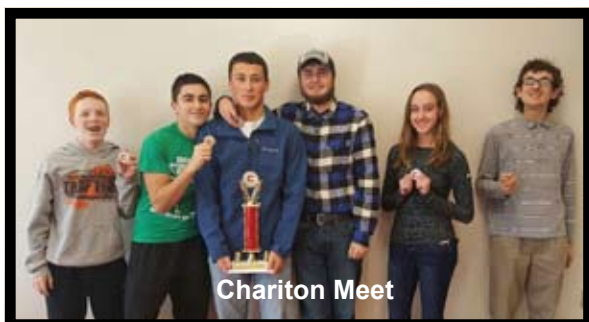

The Southeast Warren Academic Competition team is having another exemplary season so far bringing home the POI 1st round undefeated championship, as well as a 1st place finish for class A-2A schools at the Chariton meet. Our championship team consists of Lane Dittmer, Sean Gardner, Elise Emmick, Lauren Hartman, JT Rowe, and Drew Kelso and is coached by Pam McCombs. Trenton Carruthers helped out as an alternate.

Questions asked during competition are on topics such as: history, literature, higher order math, anatomy, health, mythology, geography, world leaders, and astronomy. Each team is given 30 seconds to answer math computation questions and 5 seconds for all other categories. The first team to buzz in and answer correctly earns 1 point. Each round is 75 questions or 30 minutes whichever comes first.

Successful teams are not only intelligent and well rounded, but are also able to quickly come up with answers using deductive reasoning and context clues.

We attend 7-10 competitions each year and host our own competition which will be in February this year. I am always looking for volunteers to read questions, run competition centers, and be timers/score-keepers at our home meet. Watch the Warren Pride as the date gets closer for more information.

The Southeast Warren community should be very proud of the young people who make up our Academic Competition Team. They are not only true examples of the excellent education provided in our school system, but wonderful ambassadors of good sportsmanship and grace under pressure.

Pam McCombs, Academic Team Coach

TAG Science Competition

I was very proud of our two teams that participated in the Building Bridges on November 11th. The 4-6th team of JD Hinrichs, Emily Thompson, and Scarlet Kelso did a wonderful job working together. Chase Thompson was sick so he didn't get to participate.

The 7/8th team of Cole Fisher, Randy Jimenez, Liberty Mitchell, and Emily Thompson won the Innovation award in their age category and got a medal and a free future admission to the Science Center.

The students were able to interact with Engineers from Iowa State and the Iowa DOT and ask questions which was extremely valuable.

There is also a Girls in Science Festival at the Science Center on Saturday, February 11th from 11:00-4:00 P.M. This festival is included with a general admission.

Natasha Cooper, TAG Instructor

Veteran's Day at the Primary

The annual Primary Center Veteran's Day program was held November 11, 2016. One of the largest groups of visitors ever were present to watch the kindergarten through third graders sing and perform their own tribute to honor our nation's heroes. A special part of the program included the flag folding by third graders Anna Wilson and Reece Youmans (flag carriers); and Gracie Backstrom, Lexi Clendenen, Lucas Dirx, Paighton Dop, Cayman Enderson, Braydon Johnson, Lola Shriver, and Elly Taggart (flag folders).

A special Quilts of Valor presentation was made to Corporal Harold Wachter on behalf of Nancy Schurman and Richard Anderson. Thanks to both of those people from our community for helping with that kind presentation to Mr. Wachter, pictured below with his family.

As always the program ended with the children walking through our "tunnel" of veterans to thank them individually.

Becky Burgin, Veteran's Day Coordinator

There are still 22 girls out for the season and the coaching staff has done an excellent job of making sure everyone is getting some playing time and that everyone is having fun.

Athletic Boosters: Anna Rowe related to the Board that the Athletic Boosters had inquired about adding language to require parents to work in the concession stand when signing the good conduct form. The Board requested the Athletic Boosters provide the language for review prior to giving their response.

Summer School Report submitted by Rebecca Burgin:

The teachers of the Primary Center planned the Summer School Program for this summer. Our directions were to provide an intensive program for approximately 15 second graders for 60 hours this summer. We created a letter addressed to the most needy second graders as indicated by their scores on the FAST tests. (Please see the included letter). When the letters were returned there were still some spots open. It was decided to open the classes to needy first graders. We ended up with 9 second grade students and 5 first graders.

The decision was made to have three different reading stations with different skills in each. One station used Word Work/Writing, one used Fluency skills, and one used a program called West Virginia Phonics. We were encouraged to use these stations by our local AEA Reading Coach. Students gathered first thing in the morning for a morning reading strategy, then went off to their different stations, switching every 30 minutes. Students were in Summer School for 2 hours each day for 6 weeks, with a break over the 4th of July holiday.

continued, page 9

Board Minutes, cont'd

At the end of each week, provided the student was in attendance, they were given a progress monitoring assessment from FAST. Their progress graph from FAST was sent home Fridays. Scores tended to show progress when we tested mid-morning.

The teachers have discussed the results of our test program. On a personal level, I smiled as I noticed some of the second graders from summer school are quite close to their goal and did not seem to have a summer drop. We are anxious to see findings from other schools doing pilot programs of intensive summer school. We believe we would change up some things in the future, perhaps extending the sessions to 45 minutes rather than 30. One change might be to perhaps station one teacher for helping individuals for a more intensive session.

We thank the SEW School Board for the opportunity to work with children and to help them keep reading skills sharp over the summer.

CONSENT AGENDA: The following items were on the consent agenda:

1. September 12, 2016 minutes
2. Financial reports

Motion by Larrie Williams, seconded by Anna Rowe to approve the items on the consent agenda. Ayes: 5.

7. Conversation has started about transitioning from an 8 period school day to block scheduling. The administration and teachers will continue to investigate the options. Teachers will have a final vote on whether to stay with the 8

period school day or transition to block scheduling.

AUTHORIZE TRANSPORTATION DIRECTOR TO SEEK BIDS FOR THE PURCHASE OF SCHOOL VEHICLES: Superintendent Galvin related to the Board that this year's expenditure plan for the use of sales tax revenue includes \$90,000 for the purchase of new vehicles. Transportation Director Joel Mosher would like to purchase at least one mini-van and one or two other vehicles and then sell two or three of the used vehicles. Superintendent Galvin asked the Board for their input on what type of vehicles they would like to see purchased. The consensus of the Board was to purchase mini-vans or Expeditions, no cars. Motion by Rande Seufferer, seconded by Larrie Williams to approve the Transportation Director and Superintendent to seek bids for the purchase of school vehicles. Ayes: 5.

Lunch Account Balance:

It is important that lunch account balances be maintained as a positive amount. Once an account reaches \$5.00 the family/student will be notified that the account is getting low. Negative balances of \$10 for an individual account or \$20 for a family account will result in an alternate but approved meal being served to the student until the account balance is positive.

To access your lunch account and/or make deposits online, call the high school or email: sue.ellingson@se-warren.k12.ia.us. You may deposit any amount into your family/student account.

DAILY LUNCH PRICES: \$2.25 (K-6) \$2.35 (7-12) \$.40 (Reduced) \$3.50 (Adult)

DAILY BREAKFAST PRICES: \$1.25 (K-12) \$.30 (Reduced) \$1.50 (Adult)

SEW School Food Pantry

The Southeast Warren School Food Pantry will be open two Wednesdays in December. It will be open from 4:30-6:30 p.m.

- **December 14**
- **December 21**

We plan on having holiday meal items (turkey, stuffing, etc.) available in addition to regular food items.

The pantry is available to ALL persons in the Liberty Center, Milo and Lacona communities. **You do NOT have to have a student in school to utilize the food pantry.**

Access the pantry at the far west front door at the high school; it is just on your left in the ICN room. Accessibility is private and quiet.

Please contact Dianne Chambers with questions or if you have an emergency situation and need food right away. Call 641-466-3331 #225 or email at school: dianne.chambers@se-warren.k12.ia.us

SOUTHEAST WARREN FOOD PANTRY 2016 CHRISTMAS OFFERING

The SEW Food Pantry would like to thank all of the following individuals, groups, and churches for their generous donations toward the 2015 Christmas Offering: Richard & Linda Jacobs (Aubert/Jacobs Family Thanksgiving Auction), Milo Methodist Church, Dick & Bernadine Forinash, Robert Butters, Liberty Center Methodist Church, Lacona Methodist Church, Connie Knouse, Ardelle Keeney, Noel & JoAnne Vincent, Lou & Beth Elbert, and the SEW Methodist Parish.

The SEW Food Pantry distributed 2015 Christmas Offering gift certificates to 16 families, and served 32 children and 32 adults. So, you can see that this is a great help to our community and only serves this community.

The deadline for patrons to register for the 2016 Christmas Offering is December 9th, 2016. Late registration requests will be honored, provided funds are available. If you wish to participate, please contact Beth Luse at 515-201-4660. If not available, please leave your name and telephone number for a return call.

This will be the last year for the separate Christmas Offering. After the first of the year, 2017, this part of the Pantry will be combined with the full-time SEW food pantry directed by Dianne Chambers. We appreciate all of your generous donations in the past and hope for your continued support to make the Food Pantry a great success for our district.
