Cookie Walk

Stop by the Cookie Walk at the Primary school on Saturday, December 2nd and save time this holiday season by picking out a selection of holiday cookies. The Cookie Walk is from 9 am to 2 pm during Milo's Small Town Country Christmas. Proceeds from the Cookie Walk go to the Milo and Lacona schools to help build better playgrounds and purchase needed items for the schools. They will make a great care package to the hungry college student, be the hit of the office, or look great on your serving tray - we won't tell if you don't!

Facility Projects

The walls are going up on our new storage building here at the high school. Mr. Seuferer and his Building Trades students will hope for the weather to cooperate as they work towards enclosing the structure.

The school board approved plans to seek bids for our new baseball/softball field lighting. Bids will be due on December 21st and reviewed at the January board meeting.

These projects are being funded through one cent sales tax and voter-approved PPEL funds.

Jeans Fundraisers

You may have noticed several of our staff members wearing jeans at any of our school buildings. Some months we have a fundraiser for a designated cause, where staff may make a donation to be allowed to wear jeans that month. The donations are then sent to the established recipient.

Through this activity we have sent donations to our Angel Tree program, American Cancer Society (Hoops for Hope & Relay for Life), Multiple Sclerosis Society, SEW Dollars for Scholars, SEW Food Pantry, and local families and individuals who are dealing with illness or a death in the family.

Ecobottle Project

The environmental science students completed an ecobottle project in October. The students used 2-liter plastic bottles to create a self-contained ecosystem. The students utilized engineering design principles and scientific principles in order to build their ecobottles. On October 16th, the environmental science students travelled to the Annett Nature Center to collect organisms for their ecobottles. At the nature center, students learned how to collect and identify invertebrates.

Our ecobottle project was successful thanks in large part to Karen and Kelsey at the Annett Nature Center, LaDonna at PetSmart, Mr. Galvin, Mr. Rogers, and everybody who donated a 2-liter bottle or container to collect specimens.

Milk Money Scholarship Fund

In August of 2007, a Milk Money Scholarship Fund was established by the Milo United Methodist Church. Donations received from local churches, the Milo Lions Club and private citizens funded afternoon snack milk at the Southeast Warren Primary School for thirty students. The afternoon snack milk is optional for all students and is usually served in the classroom mid-afternoon. There is no reduction of the price for afternoon milk based on free or reduced status. The price is the same for everyone.

Every semester we have families that struggle to pay the afternoon milk fee. The fee is \$31.50 per semester, which works out to be 35¢ per day. The fund still continues but every year it is a challenge to raise enough funds.

The Milk Money Scholarship Fund is run through the school's hot lunch fund. All money is deposited and a semester of student milk is deducted at one time. A separate account has been established and it is audited with the rest of the lunch accounts yearly by the

state. It operates in a similar fashion to the way school lunches are debited to lunch accounts electronically. All money donated is used to directly pay for milk, there is no profit or mark up on milk. Any money left over from this year is carried over to next year.

Thank you for your support of the Milk Money Scholarship Fund –

Athletic Director's Report submitted by Blake Cruikshank:

Football

The football teams sits at 4 and 2 overall and 2 and 2 in district play which is good for 4th place. We have had a rash of injuries here lately, but

the boys have been resilient and some of the younger kids are getting some quality reps that will be beneficial in the long run.

Volleyball

The volleyball team sits at 15 and 5 and 4 and 0 in the conference and has earned the number 1 seat and the right to host the 1st round of the POI VB tournament. I have been really impressed with how well our VB Team is playing right now and look for them to have a strong end to the season.

Taylor Clendenen hit the 1,000 assist mark in her career against Seymour last week.

We received a 1st round bye in the post season and will host a home regional game on 10/23 starting at 7 p.m.

Cross Country

District assignments have not come out yet, but should be sometime in the near future. We will run at the POI Meet on Tuesday 10/10 at NV.

JH Volleyball

Both 7th and 8th grade are 7 and 0.

JH Football

We have been playing mostly one game and half of another one based off our numbers, so I think that is a good thing. Our record is 3 and 1.

The projected timeline would be to approve the drawings and specifications at the November board meeting and receive bids prior to December 25th. CONSIDER ADDING BOWLING AS A SPORT AND BOWLING COACH TO THE SUPPLEMENTAL PAY SCHEDULE: Superintendent Galvin related to the board that several years ago bowling had been offered to students and a paid position for Bowling Coach at 2% had been included in the supplemental pay schedule.
