Associate Substitutes Needed

The Milo Primary School is in need of community members who wish to substitute as a one-on-one associate. Associates are assigned to individual students and assist them throughout the school day. They attend the student's regular classes, PE, art and music, assist them at lunchtime and recess, and accompany them until they are picked up or loaded onto their bus after school.

Hours are generally 7:45 a.m. to 3:45 p.m. The position pays \$8.50 per hour with paychecks issued once a month.

Substitutes are utilized on an as-needed basis, working as much as several days a week to a few days a month. Sometimes substitutes will be scheduled in advance, but there are also instances where a substitute is needed to cover for illness with little advance notice. However, it is always the choice of the substitute to accept the assignment for that particular day.

The position requires direct contact with students from preschool to 3rd grade. A high school diploma and a background check are also required. If you have patience, confidentiality, a positive attitude and a flexible schedule we are in need of your help. Opportunities for subbing are also available at the Intermediate School in Lacona and the Jr-Sr High School in Liberty Center.

To receive an application or if you have any additional questions, please call Patty at the Milo Primary Center at 641-942-6216.

Iowa School Report Card

The Iowa Dept. of Education has just released its performance report on all Iowa public schools. It is available at:

www.educateiowa.gov/schoolreportcard

Based on each school's performance over a two-year period, the report card assigns one of six ratings: Exceptional, High-Performing, Commendable, Acceptable, Needs Improvement, and Priority. Southeast Warren received Commendable ratings.

For most measures, school ratings are based on data from the 2014-15 and 2015-16 school years.

Iowa Department of Education Director Ryan Wise said. "While this resource can help school improvement efforts locally and state-wide, data and ratings do not tell the

whole story and I encourage Iowans to connect with their community schools to learn more."

Changes for '17-18

At its January meeting, our school board approved several changes that will affect the structure of the school calendar for next year, the Jr-Sr High class schedule, and start/end times for all grade levels.

Weekly 1:30 Dismissals: Every Wednesday will be an early dismissal to allow additional professional development time for the implementation of Chapter 62 mandates. This allows our teachers to review student assessment data and work together to plan the best instruction for students.

Block schedule for grades 7-12: We are replacing the 8-period schedule with a 5-period schedule with

80 minute class periods. There are many advantages to this schedule, including offering more electives, less subjects for students to balance, more time for class projects and activities, and teachers can provide more indepth instruction.

Extend school day by 16 minutes: This will allow for the block schedule and will also provide more planning time for K-6 teachers.

Our District Leadership Team has drafted the school calendar for next year and it will be presented to the school board in February for approval.

Conferences

Don't forget to schedule time with your child's teachers February 14th or 16th. It's very important to have that direct contact to help students be as successful as possible.

Wrestling

The wrestling team is off to a good start this year. They are currently 6 and 0 in duals. They won the Woodward Granger Invite and will wrestle at the Lenox Invite on 12/10. POI Wrestling Meet is @ East Union on 12/17.

JH Girls BB

Boys JH BB

We have 15 boys out for the team this year and are playing 2 games a night most nights. Both the 7th and 8th grade group have a tremendous work ethic and toughness about them that will serve them well in the future

They have yet to wrestle in a meet this year as we had to switch some dates around but will have two meets before Christmas. They have 9 wrestlers on the team with maybe one or two switching over from BB after break.

Dance

The Dance team competed at the State Dance competition this past week and even though they did not receive any awards they still did a nice job and put a lot of hard work and effort into the season.
