Best In Class

Jaden Schurman was recognized for achieving valedictorian of the senior class; he attended the governor's scholarship banquet in May, along with the Channel 5 Best In Class ceremonies and videotaping.

State Track

Congratulations to Elise Emmick, Payton Nelson, and Lela Bales for qualifying for the state track meet. Third year in a row for Elise!

Summer School

This year we will have summer instruction at all three buildings.

Primary School: Students struggling in reading will be offered summer school June 15-30 and July 10-28. Families have been contacted directly.

Intermediate School: Identified 4th graders will receive remedial instruction July 31-August 4.

High School: Students who need to catch up on earning credits have been scheduled for Odysseyware program instruction June 5th-16th.

Big thanks to the teachers involved in these extra efforts to help students needing extra assistance and improve their chances for success.

Heads up for 2017-18

We will have some changes coming for the next school year.

Online registration: In an effort to reduce paperwork and lines at registration, parents will be able to register their students online. Through this, they will verify student and household information and pay fees. Other documents, such as handbooks, supply lists and notices, will be available to access on the school website. We are currently working on getting all of this set up, so look for more information via email later this summer.

Parents without internet access or those who would like help with this process can come to the school to register. We will still have a fall registration day, August 7th.

Start/end times: The school day for all students will change to starting at 8:10 a.m. with dismissal at 3:30 pm. This adds 15 minutes to the school day to allow for teacher collaboration and training, and for the high school block schedule. We will have early dismissals every Wednesday.

Block schedule: The Jr-Sr High students will have five 80-minute classes instead of 8. With this schedule we are able to offer 7 new courses.

Early Homecoming: We will start celebrating with the parade combined with Lacona Celebration on Aug. 26th. Homecoming activities will be the first full week of school, through Sept. 2nd.

Wishing everyone a safe and fun summer!

Summer Reading Program
 "Build A Better World"
 Kindergarten-3rd Grade Children

This year our theme for Summer Reading Program will be "Build A Better World". We will be doing activities, and learning things to make our world a better place to live in. All of our activities will also be centered around books and reading. We will have many books displayed and available for the children to check out. All of these books will be centered around our SRP theme. All of the children will be able to take home a reading log. By reading and recording pages in the log, they will be able to earn prizes. All programs will consist of a story time, activity time, craft time and snack time. If you could please pre-register your child it would be much appreciated. It really helps me to have pre-registration when buying snack and craft supplies. Also, please let me know if your child has any food allergies.

Thursday, June 8th 9:00 a.m.- 11:00a.m.-"Build"

This whole morning will be centered around building different structures out of different materials. We will also throw in a little geography and locate some famous building structures around the world. Of course all of our stories will be about buildings and building.

Thursday, June 15th 9:00 a.m.- 11:00 a.m. "Discover and Sense"

We will be talking about taking care of our environment and making our world a cleaner and better place to live. We will be incorporating in the 5 senses and enjoying some very interesting activities and crafts. Please dress kids in old clothes for this program. We will be using finger paints. In theory they are washable but I always get a little nervous when we are painting.

Monday, June 19th 9:00 a.m.-11:00 a.m

THIS IS NOT A THURSDAY!

We will have a quick snack and story and then we will walk to the community center to watch Jay & Leslies Laughing Matters. These performers do juggling, magic and mime and they are so funny. Both kids and adults will love them. Anyone is welcome to participate in this part of activity. So bring Mom and Dad, Grandma and Grandpa, or younger and older brothers and sisters. Let's pack the house.

Thursday, June 22nd 9:00 a.m.-11:00 a.m. "Transform and Live"

This will be a fun one. The kids will be doing a work together group craft entitled "Transform Your Cardboard Box!" As always great stories and I believe we might even do a little dancing at this one. This will be our last program in the series. Will have lots of prizes that day including the BIG PRIZE! Don't miss this one.

Age 4 through 5th grade are welcome.
 Please register at the Library!

Dental Checkups

Since the 2008-2009 school year, Iowa law requires that any child **entering kindergarten or ninth grade** must provide the school with proof of a dental check-up. Improving the oral health of Iowa's children is the purpose of this law.

The Certificate of Dental Screening form is the approved form, which local dentist offices should have or you can obtain a copy here at the school. The form is due back by Friday, November 17, 2017. A screening for 9th grade is valid one year prior to enrollment in 9th grade to 4 months after enrolling in 9th grade.

Have the dentist just complete the form and return it to school with your child or your dentist may fax it to the high school at 641-466-3525. The state will audit my records before winter break to check compliance with the law. If you need help getting a dental check-up for your child, a copy of the new form, or have questions please contact me at school.

Vaccine Reminder

Attention of incoming 7th and 12th graders for the 2017-2018 school year!!

Please remember the new meningococcal vaccine requirement for your 7th or 12th grader. I sent out letters earlier this school year explaining the requirements. I will be checking student's immunization records in August to make sure they have had the necessary immunizations. Please remember that your child must have had one of these immunizations to start school unless there is an exemption on file or your child's birthdate excludes them!!

Please email me with questions at:

Friendship Fair

The annual Friendship Fair program was held May 24, 2017. The country of study was Mexico this year.

Students were introduced to the sounds of Mexico as the entire Primary Center attended the production of Fiesta Mexicana at the Civic Center. Funding for this program was through a grant from Connecting Kids with Culture.

Later that same week we all celebrated Cinco de Mayo day with Piñatas, chips and salsa, projects and dancing. Our generous community members and the PIE parent group helped with the items for this party.

Later on in the month the High School Spanish class came over to share with our students, and Mr. R.J. Hernandez from CutureAll came with several Mexican instruments. The children loved it as Mr. Hernandez allowed each child to play one of the instruments.

The conclusion of our fair was our program during which students sang, danced, recited Spanish words and acted a Mexican folktale. All in all we had a very good time learning about our neighbor to the South!

The SEW Primary Center held their First and Second Grade Spelling Bee on Friday, May 19th. The first place winner was Belle Ewing and the runner up was Tucker Dierking. They will be eligible to compete at the Iowa State Fair spelling bee.

Fall School Supplies

IMPACT Community Action Partnership in Warren County will be hosting its annual School Supply Program distribution **July 24th – September 1st**. This program allows children of low-income families to "shop" for supplies based on the supply list provided by their school.

Staff are normally available from 8:30AM-4:00PM at our office located at 210 W 2nd Ave. Suite B in Indianola. Appointments are not necessary, however calling ahead is recommended (especially for those driving long distances).

This program is based on income and is for children residing in Warren County households who are enrolled in preschool through grade 12. If a family has not received service(s) from IMPACT before, they will need to provide identification for all household members (Social Security cards are preferred), proof of residency (utility bill works fine) and verification of income (last 90 days OR 2016 tax return). We do have a computer available should a family need to print/email information to staff.

Feel free to email me or call our office at the number below if you have any questions!

This tournament is a fund-raising event for the SE Warren Athletic Department. It is also a great opportunity for you to help support Southeast Warren Athletics so it can buy uniforms, support non-revenue sports, and provide a competitive edge with our rivals. You do not need to be an avid golfer to play – just be ready to have a great time and support a worthy cause.

SEW Food Pantry

The summer dates for the Southeast Warren food pantry are Wednesday, June 28th, Wednesday, July 26th, and Wednesday, August 23rd. The time will be 4:30-6:30 PM like always. Bags and boxes are available or bring your own. Please enter using the far, west front entrance at the high school. Watch for the signs!

I'd like to thank Amanda Schneider for hosting an on-line 31 party and donating a portion of those sales to the food pantry resulting in \$120.00 to the food pantry. I'd also like to thank the Southeast Warren Student body for having a food drive on spring games day resulting in several tables full of food and toiletries for the pantry. These items will greatly increase what we offer to residents who utilize the pantry.

The generosity of the Southeast Warren community continues to overwhelm me. The pantry is growing in supplies made available due to caring individuals. This is a great community!!

The pantry is available to ANYONE living in the Southeast Warren area. In the event of a food emergency you can email me at: dianne.chambers@se-warren.k12.ia.us I will contact you to set up a time to meet you at the pantry.
