Hoops for Hope

The "Hoops for Hope" event was on January 20th, before and during the girls and boys basketball games. SEW Student Council planned several activities including shirt sales, silent auction and games, along with the paid admissions for the night. The Athletic Boosters donated proceeds from the night's concession stand, the Fine Arts Boosters added proceeds from the dinner, and school staff who made a cash donation were allowed to wear jeans for the month. All of these efforts netted a total of \$4,221.28.

Thanks to our community, students and staff for helping up make this donation to the American Cancer Society and hopefully someday defeat this deadly disease.

Speech

Congratulations to our Speech Team participants who are progressing through state contests. We advanced two teams to state large group contest on Feb. 4th, where the group of Kyle Sites, Kaleb Miller and Christian Morhardt received straight 1's, and the group of Cole Miller, Michelle Pritchard-Hall, Brianna Helleso, and Jake Prater received straight 2s.

We have eleven students competing in individual district events on February 25th.

Basketball

Our girls and boys teams have wrapped up their seasons and I'm

proud of all the hard work they and their coaches have put into it.

Wrestling

And finally congratulations to our wrestlers who worked hard all season, with 8 competing at districts and four advancing to the state tournament: Brady Kyner, Blake Bauer, T.J. Dierking and Bryce Hall.

Brady and Blake fought their way to the finals, but came up short for 2nd place. These are huge accomplishments and we will miss cheering on these two talented seniors next year. Also congratulations to Brady for being a finalist for the Dan Gable Mr. Wrestler Award.

Projects

The school board recently approved the purchase of new football lights, to be paid out of one-cent sales tax funds. They will be in place before the 2017 season begins.

We will also soon be starting the process of replacing the roof over the boys locker room at the high school.

Staff Contracts

The district has settled a two-year contract with the SEW Education Association for a 2% overall increase. The AFSCME agreement is also 2% and is valid for three years.

Preschool Open House

Parents wishing to enroll their children in the 2017-2018 Southeast Warren Preschool Program should call Patty at the Primary School at 641-942-6216 or e-mail at patty.harlington@se-warren.k12.ia.us.

Southeast Warren will again be offering free four-half day-a-week preschool classes for district four-year-olds. Qualifying children for the 4-year-old program must be 4 years of age by September 15, 2016. Hours for the AM class are 8:10 AM to 11:00 AM. The AM class currently has a waiting list. Hours for the PM classes are 12:10 to 3:00 PM. Classes meet Monday, Tuesday, Thursday and Friday. The four-year-

old program's tuition is covered by the Statewide Voluntary Preschool Program and is tuition-free. There is an additional snack and milk fee for all students.

Preschool for 3-year-olds is offered at the Primary School, but sign up is handled by the Elzora Town Daycare, which is attached to the Primary School Building. Your child does not need to attend the daycare to attend 3-year-old preschool. To enroll your child in 3-year-old preschool, please call the daycare at 641-942-6138.

We will be hosting a **preschool open house from 6:00 – 7:00 PM on the evening of March 9th** at the

Primary building. Parents of children who will be either three or four years of age by September 15, 2017 are encouraged to attend this open house and sign up for the 2017-18 school year. At this open house, your child can meet the preschool teacher and teacher associate, learn about our programs, and visit the classrooms. The nurse will be available for immunization questions and preschool health packets will be distributed. These packets contain forms that need to be completed and returned before your child enters preschool in the fall.

Kindergarten Round-up

There will be a one-day introductory Kindergarten Round-up session for all of our 2017-2018 kindergartners on April 28th. Students must be 5-years-old by September 15, 2017 to be eligible for kindergarten next year. This one-day session will be a full day and run the same hours as a regular school day. Please contact Patty at the SEW Primary School, 641-942-6216, with questions regarding bus transportation for students who normally ride the bus. There will be no kindergarten or 4-year-old preschool classes held that day.

Roundup offers the opportunity for your child to get to know the kindergarten teachers and learn about the kindergarten routine. While your child is with us, there will be vision screening, stories, lunch, recess and a chance for our staff to evaluate the developmental levels achieved by the four- and five-year-olds attending. Students attending Roundup should bring either \$2.25 for lunch or a sack lunch. Students, who already have a family lunch account, may charge to that account.

If your child is not included on the list below and will be five on or before September 15th, please call Patty at the Primary School at 641-942-6216. In early April an informational packet will be sent to the parents of all students listed below and to those who pre-register.

Primary Center 2017 Friendship Fair: Mexico

This year, our Friendship Fair at the Southeast Warren Primary Center will be studying the country of Mexico. This is the 33rd Annual Friendship Fair at the Primary School. We will be learning about the customs, food, and life of the Mexican people. The staff is anxious to share with the students any artifacts the community might have from Mexico. If you have made a trip to Mexico, if you have items from Mexico, if you have any connection to the country or people of Mexico and would like to share with the students at the Primary Center. Please contact the Southeast Warren Primary office in Milo at 641-942-6216 and leave a message for either Mrs. Taggart or Mrs. Burgin.

We are always willing to have community members come to share, so if you wish to speak to kindergartners through third grade about Mexico, please contact the school as soon as is convenient. We will kick off our study of Mexico on May 5th with a child oriented Cinco de Mayo party. At this time we are planning our annual Friendship Fair program to be held in the morning on the next to the last day of school. The current plan is to schedule the program for Wednesday May 24, at 9:30 am. Our students will share what we learn about the country of Mexico in the Southeast Warren Primary School gym. (Watch for any changes to the program time due to a snow day changing the last day of school.)

In addition to visiting guests, speaker and workshop presentations and special projects, we have an unusual opportunity this year. All students, kindergarten through third grade, will be attending a performance of Fiesta Mexicana at the Civic Center. The Grammy-nominated Sones de Mexico presents a festive concert for young people, featuring lively music, dance traditions and traditional storytelling to celebrate the diverse culture of Mexico. All students and staff will be attending the performance on Tuesday, May 2nd. Due to the Civic Center student performance policy we will not have space for parents to attend. The cost of attending this program will be paid for with a Connecting Kids to Culture grant.
