MUSTACHE MARCH 2018

The Southeast Warren FFA Chapter is sponsoring a fundraising event for **mental**

health and suicide awareness through Please Pass the Love. Our fundraiser is a student-led idea for a cause in which many of us in Warren County have been affected by. Community members, staff members and students may participate in a contest called Mustache March. Participants will donate \$10 to be entered into a mustache contest and receive a t-shirt. Awards will be given out for the best mustaches at a pep assembly near the end of March. Donations or t-shirt purchases are also welcomed.

The SEW FFA Chapter has pledged to match donations up to \$1,000, and we are seeking local businesses to do the same. Businesses may match up to any amount they desire, and can also participate in the contest. Pictures of the best community mustaches can be emailed to Alex Rodgers, FFA advisor, and will be displayed at our pep assembly, along with acknowledgement of all sponsors.

Forinash Scholarship

I remember about a year and a half ago when Terry Davis knocked on our door. He said there were some people who would like to offer a scholarship in my name. I thought about it, and thought ten thousand dollars is a lot of money to raise by donations. Then I got to thinking that with Terry's business head he probably knows more about it than I do.

Terry, Peggy Williams, and others have worked on it, and things materialized. I can't thank them enough for their dedication (I am so honored to have such a nice group of people to believe in me as an individual). A special thanks to the people for their donations to make this scholarship possible. I hope in some way I have been deserving of this to help some young student or students to further their education and make a difference in some person's life.

May God Bless you. You're the Best. *Dick Forinash*

Wrestling

Congratulations to our wrestlers on completing their season, and to those who moved on to post-season: District qualifiers Drew Kelso, JT Rowe, Alec Henderson, TJ Dierking and Colby Page; and State qualifiers Alec, TJ and Colby.

Basketball

The girls and boys teams have wrapped up their seasons and I'm proud of all the hard work they and their coaches have put into it.

Speech

We had 3 large group teams qualify for state contest: Short Film-Carson Dittmer, Cole Miller, Elisa Adams, Hunter Thompson, Jake Prator, Michelle Pritchard-Hall, Neva Vogel & Nolan Ohnemus; Group Improv: Carson Dittmer, Hunter Thompson, Neva

Vogel; Group Improv: Jake Prater, Luke Prater, Michelle Pritchard-Hall.

We have seven students competing at district individual speech on Feb. 24th.

Bowling

This was a first year for bowling in a while and we had several students participate. Great job!

Academic Team

Our Academic Team is doing quite well so far, placing 1st at Central Decatur and at our hosted contest. They placed 2nd at the POI Conference event. Mrs. McCombs would like to thank all the staff and parents who helped out with our hosted contest on Feb. 14th.

Make-up Days

The school days we missed on Feb. 20th and 23rd due to ice will be made up at the end of the school year, May 29th and 30th.

History & Technology

by Ron VanStrien

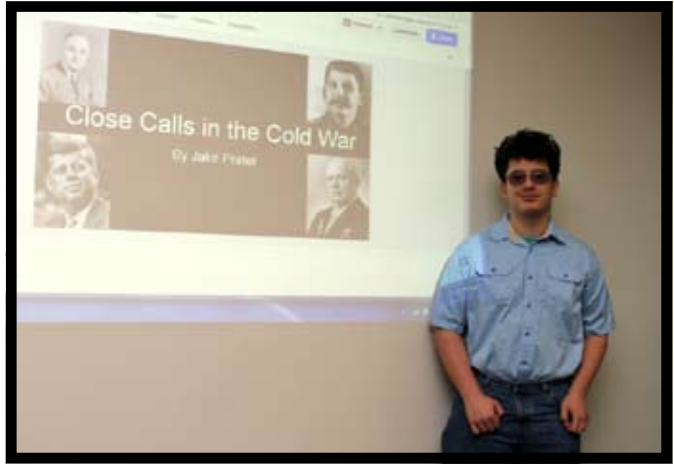

History is like my own child that I have nurtured for many years. It is my job to introduce my students to great men & women who risked their lives for various causes. The study of history teaches analytical & communication skills that are usable in almost any career. The study of history makes people more intelligent.

Technology allows students to make choices about how to obtain & display information. Technology increases student engagement & motivation. Students who are engaged & interested in topics they are studying will have a better retention. There are countless online resources & apps to enhance teaching & keep students more engaged.

The technology focus for the 2017-18 school year was to incorporate project based learning activities in the classroom and to have teachers research a topic of interest and implement it. My focus was to increase student engagement and knowledge of history.

I designed a project that allowed the students to share their learning and knowledge in a different way. My students were allowed to select their favorite time period, person, or event in history by using technology. Student technology projects include artwork, videos, and two sources with bibliographic information. Students could replace their lowest test score with the grade on their technology project. Students were given a rubric that showed how the technology project would be graded. The rubric included details about the quality of information, pride in their work, and the bibliographic.

Jake Prater's project was over the "Cold War." Michelle Pritchard-Hall's project was on "Joan of Arc." Jake and Michelle did an outstanding job on their projects. I have several students working this semester on technology projects for my United States History class.

Preschool Sign Up

Parents wishing to enroll their children in the 2018-2019 Southeast Warren Preschool Program should call Patty at the Primary School at 641-942-6216 or e-mail at patty.harrington@se-warren.k12.ia.us.

Southeast Warren will again be offering free four-half day-a-week preschool classes for district four-year-olds. Qualifying children for the 4-year-old program must be 4 years of age by September 15, 2018. Hours for the AM class are 8:10 AM to 11:00 AM. Hours for the PM classes are 12:10 to 3:00 PM. Classes meet Monday, Tuesday, Thursday and Friday. The four-year-old program's tuition is covered by the Statewide Voluntary Preschool Program and is tuition-free. There is an additional snack and milk fee for all students. The availability of a full-day preschool class will be determined by total enrollment.

Preschool for 3-year-olds is offered at the Primary School, but sign up is handled by the Elzora Town Daycare, which is attached to the Primary School Building. Your child does not need to attend the daycare to attend 3-year-old preschool. To enroll your child in 3-year-old preschool, please call the daycare at 641-942-6138.

We will be hosting a preschool open house from 6:00 – 7:00 PM on the evening of March 8th at the Primary building. Parents of children who will be either three or four years of age by September 15, 2018 are encouraged to attend this open house and sign up for the 2018-19 school year. At this open house, your child can meet the preschool teacher and teacher associate, learn about our programs, and visit the classrooms. The nurse will be available for immunization questions and preschool health packets will be distributed. These packets contain forms that need to be completed and returned before your child enters preschool in the fall.

Primary Center Friendship Fair Netherlands

For our Friendship Fair this year the Primary Center will be studying the country of Netherlands. We will be learning about the customs, food, and life of the Dutch people.

The staff is anxious to share with the students any artifacts the community might have from the Netherlands (Holland). If you have made a trip there, if you have items from Holland, if you have any connection to the country or people of Holland and would like to share with the students, please contact the Milo Primary office at 942-6216 and leave a message for either Miss Core or Mrs. Burgin. We are always willing to have community members come to share.

At this time we are planning our Friendship Fair program to be held in the afternoon on the next to the last day of school. Our students will share what we learn about the country of Holland in the air conditioned gym. (watch for the exact program time to be announced)

2018 Friendship Fair Committee

Kindergarten Roundup

There will be a one-day introductory Kindergarten Round-up session for all of our 2018-2019 kindergartners on April 27th. Students must be 5-years-old by September 15, 2018 to be eligible for kindergarten next year. This one-day session will be a full day and run the same hours as a regular school day. Please contact Patty at the SEW Primary School, 641-942-6216, with questions regarding bus transportation for students who normally ride the bus. There will be no kindergarten or 4-year-old preschool classes held that day.

Roundup offers the opportunity for your child to get to know the kindergarten teachers and learn about the kindergarten routine. While your child is with us, there will be vision screening, stories, lunch, recess and a chance for our staff to evaluate the developmental levels achieved by the four-and five-year-olds attending. Students attending Roundup should bring either \$2.25 for lunch or a sack lunch. Students, who already have a family lunch account, may charge to that account.

If your child is not included on the list below and will be five on or before September 15th, please call Patty at the Primary School at 641-942-6216. In early April an informational packet will be sent to the parents of all students listed below and to those who pre-register.

Athletic Director's Report submitted by Blake Cruikshank:

Boys Basketball:

The Boys BB team sits at 2 and 8 overall and 1 and 5 in the POI Conference. We have 11 regular season games left and district games will begin on 2/12.

Stats Leaders-Points
 Coleton Ademeit – 11.4pts/G
 Dalton Weeks – 6.0pts/G
 Colton Greif – 5.6pts/G
 Mason Merfeld – 4.2pts/G

Girls Basketball: The Girls BB team is 8 and 4 overall and 4 and 2 in the POI Conference. We have 10 regular season games left and regional games will begin on 2/8.

Stats Leaders-Points
 Blaire Steenhoek – 15.6pts/G
 Payton Nelson – 10.7pts/G
 Avery Cashen – 10.1pts/G

Blaire is also 2nd in the state in rebounds per game in Class 1A with 12.8 rebounds a game.

Wrestling: The toughest stretch of the season is coming up here as we have a dual one night each week in January and wrestle every Saturday from now until Sectionals start on 2/3.

The wrestling team went 0-3 at the Warren Co. Duals and 1 and 3 and the EBF Duals.

JH B/G Basketball: We have only have one week left in the season and our last game is 1/12 this year. We have seen some strides made by both the boys and girls team since the first day of practice.

JH Wrestling: There are about 3 weeks left in the season. The only concern I have with the season is our practice times at SEW do not go well with the Melcher School class schedule, so finding a time for our team to practice together has been kind of complicated this year.

Baseball Uniforms: We just ordered two new sets (1 home and 1 away) of jerseys for the team as well as one set of pants for each team member. It has not been past practice to order pants for the team but I felt like if we ordered whole uniforms for other teams we should do so for the baseball team. We have not bought new uniforms for the baseball team in quite some time. All high school sports teams have been bought new uniforms in the last 5 years.

CONSENT AGENDA: The following items were on the consent agenda:

1. December 11, 2017 minutes
 2. Financial reports
 3. Second reading of Board Policy 404.1, "Personal Illness"
- Motion by Anna Rowe, seconded by Cody Reynolds to approve the items on the consent agenda. Ayes: 5.

SUPERINTENDENT'S REPORT: Superintendent Galvin reported on the following items:

1. January 3rd was a teacher workday. Crisis Prevention Intervention training was held district wide with 11 people participating.
2. The 2018 legislative session will soon be kicking off. Superintendent Galvin will be out of the office a couple of days to speak to legislators and lobby for educational interests.
3. The next Children's First Forum meeting will be held on January 25th in Milo.
4. Several events are coming over the remainder of the month: District Speech Contest, Conference Academic Bowl, hosting the sectional wrestling meet, POI bowling meet, and Iowa Assessments will be given the week of January 29th.
5. Southeast Warren has been selected to take the NAEP test. Selected 8th grade students will be tested in the area of technology.
6. January 15th will be a no school day; the day had been built into the calendar as a snow make-up day but no school days have been missed so far this year.
7. Both of the portables had frozen water pipes during the cold spell. It was determined that the pipes froze at the pit due to damage to the pit covering. Repairs will need to be made to prevent the pipes from freezing again.

IDEA PART B 2016-2017 DETERMINATIONS LETTER:

Superintendent Galvin related that the Iowa Department of Education annually reviews each district's compliance with, and implementation of IDEA Part B requirements. The Department of Education has determined that the district met all of the requirements for serving special education students.

LACONA GYM WALL REPAIRS: Superintendent Galvin related to the board that the Lacona gym walls are continuing to crack and there are concerns that the wall may be starting to move again. An inspection of the walls was completed by Raker Rhodes Engineering. Their opinion is that there is not an immediate potential for collapse, but it does warrant remediation and further monitoring. Superintendent Galvin related that three bids have been received to stabilize the wall and will be brought to the board for approval at the February board meeting if that is the direction the board wants to take. The consensus of the board was to discuss the future of the buildings at the February board meeting before approving any bids to complete work on the gym walls.

MODIFICATION OF TRANSPORTATION DIRECTOR SHARING AGREEMENT: Joel Mosher addressed the board concerning the additional work load and hours he has been putting in since starting the sharing of a Transportation Director with the Interstate 35 School District. Do to

continued, page 6

Board Minutes, cont'd

the fact that he is salaried, he is not receiving any additional compensation for the additional hours worked. Joel asked the board to consider adding a stipend to the sharing agreement to compensate him for the additional work load. Superintendent Galvin related to the board that Interstate 35 is aware of Joel's request and he will talk to the Superintendent about a dollar amount for the stipend. A modified sharing agreement will be brought back to the board in February for approval.

HEARING ON THE PROPOSED PLANS, SPECIFICATIONS, FORM OF CONTRACT AND ESTIMATE OF COST FOR THE SOFTBALL/BASEBALL FIELD LIGHTING PROJECT: President Ron Miller opened the meeting up for public input/comments on the proposed plans, specifications, form of contract and estimate of cost for the softball/baseball field lighting project. There were no comments made. President Ron Miller called the hearing to a close.

APPROVE PLANS, SPECIFICATIONS, FORM OF CONTRACT AND ESTIMATE OF COST FOR THE SOFTBALL/BASEBALL FIELD LIGHTING PROJECT: Superintendent Galvin recommended approving the final plans, specifications, form of contract and estimate of cost for the softball/baseball field lighting project. Motion by Cody Reynolds, seconded by Anna Rowe to approve the plans, specifications, form of contract and estimate of cost for the softball/baseball field lighting project. Ayes: 5.

AWARD BID FOR SOFTBALL/BASEBALL LIGHTING PROJECT: Johnny Boyd, Architect, presented the bid results for the softball/baseball lighting project. The low bid was from Overbergen Electric in the amount of \$324,875 for the base bid to complete the baseball field prior to the season and then complete the softball field after the season is over. An alternate bid to complete the work at one time starting July 23rd with a completion date of October 15th was a deduct of \$4,000 from the base bid. Johnny Boyd related that he had checked references on Overbergen Electric and had received very positive feedback. Superintendent Galvin recommended accepting the bid from Overbergen Electric and to complete the work at one time starting on July 23rd. Motion by Anna Rowe, seconded by Larrie Williams to approve the base bid plus alternate bid A.1 to start the work no earlier than July 23rd from Overbergen Electric for the softball/baseball lighting project. Ayes: 5.

PERSONNEL CHANGES: Superintendent Galvin recommended approving the termination of Elmer Stillwell, Regular Route Bus Driver and

Southeast Warren Dollar for Scholars

Thank you to everyone that made it to the chili and cinnamon roll meal served in January. Big thanks to Terry Davis and his family for all their work on putting this together. We have now reached the goal for the Richard Forinash scholarship and it will be awarded for the first time this year.

We had a very successful Toy Tractor show on February 17, 2018. In 2017, we had 85 vendor tables and this year we had 132! Thank you to Larry and Genie Snuggs for all their hard work to make this such a success. Another big thank you to the SEW FFA crew for all their help unloading and loading the vendors. The vendors always comment how nice it is there is so much help when they come to Liberty Center.

We will have another Trivia Night- Saturday, April 7, 2018.

All proceeds will go to scholarships for Southeast Warren graduating seniors.

Milo 4th of July

The Fourth of July Committee would like to thank everyone who showed up and played our 1st annual Poker Tournament! Another big Thank You to Houstons on Main for bringing over drinks and making the pizzas! We had a lot of fun!

Our 1st Place winner of \$500 went to Dr. Gary Jacobson! We look forward to an even bigger turn out Next Year! Also stay tuned for Our Milo's Mega Bucks information, coming soon! Don't forget to follow us on facebook and snapchat!

Milo Hometown Pride

Milo Hometown Pride is a program sponsored by the City of Milo and Warren County Hometown Pride, funded mostly by Keep Iowa Beautiful. Ten counties across Iowa participate in Hometown Pride and the Warren County cities include Milo, Carlisle, Cumming, Hartford, Indianola, Norwalk and New Virginia. Milo is forming a team of local volunteers that will work together on various community projects.

The Milo committee meets monthly and is led by Lorin Ditzler, Hometown Pride Community Coach; Diane Hall, Mayor; and Co-Chairs LuAnn Ohnemus and Tammy Williams. We have made a list of potential projects, the first being a community directory, to be given primarily to new & potential residents. The directory is now in progress and will include local government, services, businesses and organizations. We also hope to form a "welcome wagon" for new residents.

If you are interested in being involved, contact any of the above mentioned people. Also visit our website at www.warrencountyhometown.com or like and share our page on Facebook: @milohometownpride.

SEW Food Pantry

The SEW Food Pantry is for residents of the SE Warren School District, whether you have kids in school or not.

Upcoming pantry dates are:

- **Wednesday, March 28th**
- **Wednesday, April 25th**

The pantry is open 4:30-6:30 pm. Please do not arrive before 4:30 pm. You will need to wait outside as no one will be admitted into the school building before that time. Contact me via email in the event of a food emergency.

Help Wanted

We are very short on Sub Associates, especially at our K-3 building. If you love working with children and could help out occasionally we would love to have you on our calling list. Background check required.

Applications are at any school building, on the school website, or call the district office at 641-466-3510.
