

A Year of Change

School has started and students and parents will see a “change” in expectations as the year proceeds.

Board Goals are in place and one of the goals is to create a better learning environment. Handbooks have been changed to better meet this goal. Another change that I would like to see occur is more involvement by the community in our extra-curricular activities. Our cheerleading sponsor & myself have met with our Athletic Booster club to generate more pride in our district. If you have an idea(s) that could help meet this goal, please give me a call or email the school. The Board of Education Goals are found on Page 2.

In the Board of Education minutes you will read about an appointed committee to address our open enrollment dilemma. We hope to develop a strategy to deter this movement and hopefully attract students to our district. Recommendations will be presented to the Board of Education as quickly as possible. Community input would be appreciated. Please call my office or email if you would like to share your input. Thanks.

This will be my last message to the patrons of Southeast Warren. The tasks assigned to me by the Board of Education are almost complete. I will be on duty one day a week through September and possibly October, then turn the Superintendent duties over to Mr. Galvin.

I have appreciated the confidence the Board of Education has shown in returning me to duty. I also appreciate your thoughts in what needs to occur to “change” our district. I have enjoyed the four months as Interim Superintendent. I have the utmost confidence that the new administrative team will continue the philosophy and procedures now implemented. Please give the team and Board of Education your cooperation in the change process. Please be a part of the problem solving – not the problem.

CB Reno, Interim Superintendent

Music Notes

We are starting off the year in a big way in the Vocal Music Department as we prepare for our upcoming musical, “Huckleberry Finn.” It will feature students from Fourth through Twelfth Grade in a timeless adventure of intrigue, humor, and moral fortitude. It will be staged the first weekend of November. We are a community that has been blessed with many outstandingly talented young people.

The skills they learn in music carry over into not only academic successes, but confidence, character, and they ability to “reach for the stars.” I count it a privilege to be able to share this experience with our young people and know it would not be possible without the support of a community focused on what is best for our kids. You make this district a great place to raise our children and give them the best start for success in the future.

Lynnea Young

SEPT. EVENTS

- Preschool begins
- MAP Testing
- Homecoming
- *see calendar, page 7 for details*

2008-09 DISTRICT GOALS

1. Emphasis on quality teaching that will improve test scores
 - A. Hire & retain quality staff
 - B. Provide quality feedback & coaching
 - C. Promote professionalism
2. Develop strategy that will deter open enrollment out of the district and encourage students back to the district.
 - A. Committee appointment
 - B. Public relations forum
- brochure
3. Create a better classroom environment
 - A. Review and update discipline procedure
 - B. Team approach
 - C. Higher expectations
 - D. Safe classroom
4. Provide ongoing communication
 - A. District-wide – community involvement
 - B. Between buildings
 - C. Administrative
 - D. With parents
5. Continue to implement scientific research instructional strategies & use the data in curriculum decision making.
 - A. Professional development
 - B. Collaboration with AEA & Dept. of Education

JR-SR HIGH SCHOOL Delane Galvin, Principal

Wow! It is hard to believe that summer has come to a close and the 2008/2009 school year has started!!!! As with any new school year, changes always seem to take place. Listed below are changes in staff that will be taking effect for our new school year and exciting events that have occurred over our summer recess.

1. Good Job to the baseball players for their season and congrats to Skylar Thornton (1st team), Dillon Lamb and Logan Miller (2nd team) for being awarded POI All-Conference honors.

2. Congrats to our softball players for a great season. We also had three girls that were named All-Conference players: Kayli Schurman (1st team), Kacee Arey, and Sydney Smith (2nd team). These girls also received All-District and All-State recognition. Congrats to Coach Arey and the girls for their accomplishments.

3. We have been very fortunate on how small our staff turn-over has been this summer. This year we welcome four new people to our teaching staff. They are: **McKenna Cornish**, HS English, who started at 2nd semester last year; **Cole Anderson**, who will be teaching Junior High and High School math, **Erin Jensen**, who will be taking over the instrumental music position, and **Juan Batula**, High School math. Also, **Chuck Jones** has transferred from the Intermediate building assuming the Junior High Language Arts and Reading position.

4. This year I would really like to focus on school spirit and consistency of discipline. With the difficulty in budget and administrative turnover, staff and students can seem to lose sight of how great Southeast Warren Junior/Senior High School is and our school spirit needs to be regenerated this year. We need to be proud of Southeast Warren both academically and in our activities and to instill in our students that no other school can compare to what SEW has to offer.

Parents, you can help in this process by becoming more active in your child's school activities. Some examples of how you can do this is joining a booster club, making a point to attend parent teacher conferences, communicating regularly with teachers, or just making sure you are always on the sidelines and **POSITIVELY** supporting your child.

5. Communication is the key to a successful partnership between parents and schools. We have found the most successful form of communication is Email. As principal, I periodically send out mailings via Email so if you want to be part of my mail list please call the high school office to give us your Email address if you failed to give us an updated one at registration.

I look forward to seeing you on the court, visiting our halls or on the field. Let's have a great year and build futures one student at a time.

*Delane Galvin
Southeast Warren Schools*

PRIMARY SCHOOL

Charlotte Weaklend, Principal

Thanks to everyone who attended our annual Open House on August 19th. We are proud of our facilities and staff and look forward to showcasing both each August on that evening to kick off the new school year.

We are pleased to welcome a new teacher associate to our building this year. Shannon Hommer has been transferred from the high school to the primary to work in our preschool and kindergarten classes. She will be attending early childhood classes through DMACC, along with Sharon Young and Kathy Busick, throughout the school year – a requirement of our preschool grant. We appreciate the dedication these ladies are demonstrating to our early childhood program at SEW. Each year our preschool program just continues to grow stronger and stronger. Having dedicated and highly qualified teachers and teacher associates is key to student success.

One of my goals this year for the Primary is to increase parent and community involvement in our building – from attending special events, to volunteering to work in the classroom, to serving on committees and being a part of the decision-making process about how our programs will be run. We have a great school with wonderful opportunities for students and parents at SEW. I encourage each and every one of you to get involved in some way. Please call me at 942-6216 to discuss your options for involvement!

With so many students open-enrolling out of the district, we obviously have not done a good enough job of promoting those opportunities unique to SEW in the community and defraying negativism about our school. If you hear something negative about the district in the community, please call me, Mr. Dow at the Intermediate, Mr. Galvin at the High

School, or Mr. Reno in the central office, so that we can answer any questions or alleviate any concerns that you have before the issues become even bigger ones.

Lacona Public Library

As all of you know we are a sad bunch here at the Library with the fire of last week that caused the total loss of the entire Library, Fire and Rescue, Barber Shop and City Hall.

The Staff, Library Board, and Friends of the Library want to thank all of you that have called or communicated how bad you feel and that you have items you would like to donate. We are asking people to hold onto any material donations to wait as we are looking for a temporary Library site. When this is done we will set boxes around town and you can drop these off into one of these boxes. Please do not donate any books that the copyright is older than the year 2000 unless it is a trilogy or like The Hardy Boys, Classics, Narnia Chronicles, Spiderwick Chronicles, etc.

For you that have wanted to donate money for the Library, there have been savings accounts set up at the Peoples Bank for the Library, Fire Dept. or City. Janet Smith or Peggy Williams will be glad to help you.

While my husband was watching the fire from across the street a young boy came up to me and said, "Pat, I have a lot of books of my own and I will give them to you for the Library". I lost it then, I cried like a baby. I have had several children and adults ask how they can help.

Thanks to all of you and may God Bless each and everyone. *Pat Neer, Director.*

INTERMEDIATE SCHOOL

Daniel Dow, Principal

It was great to meet several parents and students at our open house. Our goal is to make our school as open and welcoming as the community has been to me and our new staff. I have to compliment everyone I have dealt with so far at the Southeast Warren School District. The assistance I have received has been way beyond expectations. My thanks to everyone.

I see children and staff smiling and enjoying the first day and it appears we are off to a great start. If you have any concerns or questions please feel free to contact me at 641-534-4701.

Here's to a Great Year,
Daniel D. Dow

What is MAP Testing?

Measures of Academic Progress (MAP) is a state-aligned computerized adaptive assessment program that provides educators with the information they need to improve teaching and learning. Educators use the data from MAP to develop targeted instructional strategies and to plan school improvement.

More than 2,500 school districts and educational partners utilize MAP Mathematics, Reading, and Language Usage tests. These assessments are unique in that they adapt to each student's ability, accurately measuring what a child knows and needs to learn. In addition, MAP tests measure academic growth over time, independent of grade level or age. Most importantly, the results have practical application to teaching and learning.

Southeast Warren will be testing students in grades 3-12 during September and April.

Southeast Warren Community School District
Regular Board Meeting
 July 14, 2008

The Southeast Warren Board of Education met in regular session July 14, 2008, in the media center of the Junior/Senior High School Building. Board President Paul Mead called the meeting to order at 5:30 p.m. The following board members were present: Jennifer Mihalovich, Larrie Williams, Ron Miller and John Burrell. Superintendent Carl Reno, Transportation Director Joel Mosher, and Board Secretary Julie Wilson were also in attendance.

AGENDA: Motion by Jennifer Mihalovich, seconded by John Burrell to approve the agenda. Ayes: 5.

COMMENTS FROM THE AUDIENCE: Bill Ballard expressed his appreciation to Mr. Reno for his collaborative style and attention to detail. He also commended the Board for stepping up to the plate and dealing with issues. He is looking forward to the district establishing Warhawk pride and establishing standards of excellence.

THE BOARD SALUTES: Mr. Reno recognized Kurt Arey and his crew for their efforts in replacing the roof on the softball dugout. The roof was torn off during a windstorm this spring.

Mr. Reno thanked the baseball and softball teams and their coaches for all of their hard work in pushing water off the ball diamonds and getting the fields ready this year.

REPORTS:

Transportation report submitted by Joel Mosher: We had 34 extra bus trips for the month. The month was spent doing general repairs and helping clean up after ball games.

CONSENT AGENDA: The following items were on the consent agenda:

1. June 9, 2008, minutes
2. Financial reports

Motion by Ron Miller, seconded by Larrie Williams to approve the items on the consent agenda. Ayes: 5.

SUPERINTENDENT'S REPORT: Mr. Reno reported on the following items:

1. Psychology and Sociology have been added back into the 2008-09 class schedule. Civics is the only class that has been withdrawn from last year's schedule.
2. The air handlers at the High School now have timers on them. The rest of the updates to the air handlers will be done before school starts. Energy efficient light fixtures have been ordered and will be installed starting next week.
3. A special education student has moved into the district and will require transportation to Des Moines starting in mid-July.
4. The \$300,000 deficit in the budget has been met. The budget will be balanced with hopefully extra to handle any increase in utility costs.
5. The sub state baseball game scheduled for tomorrow night in Milo has been moved to Knoxville due to the condition of the playing field. The baseball field needs renovation to improve drainage.
6. Mrs. Weaklend has recommended a dollar per day increase to daycare rates this fall to cover the increase in salary costs. Mr. Reno will approve the increase.

RESPONSE TO CHILDREN FIRST FORUM, FIVE-YEAR EXPENDITURE PLAN AND LEGISLATIVE ACTION PRIORITIES: Mr. Reno suggested holding a board work session to develop a response to the Children First Forum recommendations, review the five-year expenditure plan and determine 2009 legislative action priorities.

PERSONNEL CHANGES: Mr. Reno noted that the administration had been realigned from 3.5 FTE to 3.0 FTE. The realignment will result in a decision maker being on staff every day and an administrator in each building every day. Mr. Reno recommended accepting the resignations of Cindy Butler; Intermediate Principal; Joseph Brott, Language Arts Instructor & Secondary Yearbook Advisor; Cindy Julian, JH Cheerleading Advisor; Sarah Seligman, 5th Grade Instructor; Rick Chambers, Regular Route Bus Driver; and Shelley Mitzelfelt, Student Council Advisor; approving the appointments of Kelly Lawrence, JH Cheerleading Advisor; Rick Chambers, Substitute Bus Driver; Delane Galvin, Secondary Principal/Interim Superintendent; Daniel Dow, Intermediate Principal, Curriculum Coordinator, At Risk Coordinator & TAG Coordinator; and approve the transfer of Nathan Bauer from Assistant HS Football Coach to Head JH Football Coach. Motion by Jennifer Mihalovich, seconded by Larrie Williams to approve the personnel changes as presented. Ayes: 5.

AUDIT PROPOSAL: Julie Wilson recommended approving the three-year audit proposal from Nolte, Cornman & Johnson, P.C. for the years ending June 30, 2008, through June 30, 2010. Motion by Larrie Williams, seconded by Ron Miller to approve the three-year proposal from Nolte, Cornman & Johnson, P.C. Ayes: 5.

STUDENT HANDBOOKS: Mr. Reno recommended approving the changes to the 2008-2009 Daycare, Preschool, Primary, Intermediate, and Secondary handbooks as presented. Motion by Jennifer Mihalovich, seconded by John Burrell to approve the 2008-2009 student handbooks as presented. Ayes: 5. Paul Mead questioned the section on use of cell phones in the daycare handbook. Mr. Reno will check with the administration; if there is a need for an addendum it will be brought back to the next board meeting.

TRANSITION PLAN FOR ELECTION OF DIRECTORS: Mr. Reno recommended approving the resolution of adoption of a plan to implement HF 2620 of the 82nd General Assembly. The resolution lengthens the Director District 5 term of office one year from 2010 to 2011. Motion by John Burrell, seconded by Jennifer Mihalovich to approve the resolution of adoption of a plan to implement HF 2620 of the 82nd General Assembly. Ayes: 5.

DUST COLLECTION SYSTEM: Mr. Reno related to the Board that EMC Insurance has recommended the installation of a dust collection system in the shop building. Two bids have been received for a dust collection system; Mr. Reno recommended accepting the low bid from Air

Mach, Inc. in the amount of \$8,613.15. The dust collection system is scheduled to be installed before school starts. Motion by Ron Miller, seconded by Jennifer Mihalovich to approve the low bid of \$8,613.15 from Air Mach, Inc. for a dust collection system. Ayes: 5.

OPEN ENROLLMENT COMMITTEE: Mr. Reno related that a survey had been sent out last week to all families open enrolled out of the district. At this time ten surveys have been received. Phone calls will be made to remind families to return the surveys. The results of the survey will be studied by the Open Enrollment Committee to see where improvements can be made. Recommendations of the committee will be brought back to the Board for consideration. Each board member was asked to submit the names of two people for appointment to the committee. Motion by John Burrell, seconded by Jennifer Mihalovich to approve an appointed Open Enrollment Committee. Ayes: 5.

WORK SESSION: The Board scheduled a work session for Tuesday, July 29th at 5:30 p.m.

President Paul Mead adjourned the meeting at 6:06 p.m.

Southeast Warren Community School District
Work Session
July 29, 2008

The Southeast Warren Board of Education met for a work session July 29, 2008, at 5:30 p.m. in the ICN room of the Junior/Senior High School building. The following board members were present: Paul Mead, Larrie Williams, John Burrell, Jennifer Mihalovich and Ron Miller. Superintendent Carl Reno, Primary Principal Charlotte Weaklend, Intermediate Principal Dan Dow, Secondary Principal Delane Galvin, and Board Secretary Julie Wilson were also in attendance.

Mr. Reno asked board members for the names of individuals to be on the Open Enrollment Committee. Board members are to let Mr. Reno know of any additional names before the next board meeting.

RESPONSE TO CHILDREN FIRST FORUM RECOMMENDATIONS: The Board discussed the 2007-2008 Children First Forum recommendations and developed responses. The recommendations and responses are as follows:

Student Achievement

1. The annual improvement goal for reading is to increase the percent of 2008-2009 eleventh grade students earning a score considered proficient or above (41st percentile or above) on the Iowa Tests of Educational Development Reading

Comprehension as compared to their performance as tenth graders (57.4%).

2. The annual improvement goal for math is to increase the percent of 2008-2009 fourth grade students earning a score considered proficient or above (41st percentile or above) on the Iowa Tests of Basic Skills Math Total as compared to their performance as third graders (64.3%).

3. The annual improvement goal for science is to increase the percent of 2008-2009 eighth grade students earning a score considered proficient or above (41st percentile or above) on the Iowa Test of Basic Skills Science as compared to their performance as seventh graders (65.7%).

Response: The Board supports the student achievement goals.

Bullying/Harassment

1. Provide a uniform message to students, parents, coaches and staff about how to cope with bullying and harassment and what steps to take if they are bullied or witness bullying.

2. Consider implementing a district wide bullying/harassment program.

Response: The Board instructed the administration to develop a formal procedure for handling and reporting bullying/harassment complaints.

Additional Unit of Mathematics

1. Consider one semester of business/finance math and one semester of statistics.

2. Investigate the possibility of team teaching the business/finance math (with a math teacher and the business teacher) so math credit could be given for this course.

Response: The Board agrees with the recommendation as long as courses can be fit into the schedule. The Curriculum Coordinator is directed to review the math curriculum.

Additional One-Half Unit of Business

1. Consider a marketing course or adding work-study as a capstone course for business education.

Response: The Board supports this goal.

Gender Balance in Vocational Courses

1. Be more aggressive in marketing vocational courses to girls.

2. Focus on the creative aspects within the vocational areas.

3. Identify females in the community who are engaged in vocational areas and who can serve as models for girls.

Response: The Board agrees with the goals. The Board asked the administration to look at the class schedule and for possible ways to incorporate girls into the classes.

2009 IASB LEGISLATIVE ACTION PRIORITIES:

The Board discussed legislative priorities for 2009. The consensus of the Board was to adopt the following five priorities: (1) Supports setting allowable growth at a rate that encourages continuous school improvement and reflects actual cost increases experienced by school districts. The allowable growth rate should be set no lower than 6 percent. Equivalent state categorical funding is not a substitute for adequate allowable growth. (2) Supports a school foundation formula that recognizes and adequately funds changes in demographics, including declining and increasing enrollment challenges. (3) Supports full funding of the state's portion of the instructional support levy. (4) Supports the locally elected school board as the final authority to utilize and allocate funding that best meets the needs of students and the district. (5) Supports school district and AEA authority to offer long-term differential pay to reverse market driven shortage area positions critical to student achievement, such as highly qualified math, science, foreign language, fine arts and other personnel critical to meet district learning goals.

ATHLETIC DIRECTOR/CURRICULUM DIRECTOR:

Mr. Reno related to the Board that due to the new administrative alignments there would be a need to hire an Athletic Director. Mr. Dow will handle the Curriculum Director duties.

SPECIAL EDUCATION:

Mr. Reno related to the Board that a meeting would be held with the Department of Education on Monday to discuss concerns in the special education department.

403(b) PLANS:

Julie Wilson related to the Board that due to legislative and IRS changes the District will no longer be able to offer tax sheltered annuities after January 1, 2009, in the same manner as is currently being used. One option available for the District to be in compliance with the new regulations is to join the State's 403(b) plan. The option would be cost effective for the District and would provide quality products for employees.

FIVE-YEAR EXPENDITURE PLAN:

The Board discussed priorities for use of the sales tax revenue. Mr. Reno related that the fire alarm system at the High School needs to be updated. The track and baseball field are also in need of improvements. Suggestions were also made to blacktop the daycare parking lot and around the bus barn and to check into a geothermal heating system for the High School. Mr. Reno also suggested using a portion of the sales tax revenue to reduce property taxes.

President Paul Mead adjourned the meeting at 7:49 p.m.

Lunch Account Balance:

It is important that lunch account balances be maintained as a positive amount. Once an account reaches \$5.00 the family/student will be notified that the account is getting low. Negative balances of \$10 for an individual account or \$20 for a family account will result in an alternate but approved meal being served to the student until the account is brought to a positive balance.

To access your lunch account and/or make deposits online, call the high school or email: sue.ellingson@se-warren.k12.ia.us. You may deposit any amount into your family/student account.

DAILY LUNCH PRICES: \$1.50 (K-6) \$1.60 (7-12) \$.40 (Reduced) \$2.50 (Adult)

DAILY BREAKFAST PRICES: \$1.00 (K-12) \$.30 (Reduced) \$1.25 (Adult)

HOMECOMING 2008

September 23-27

Tentative Plans

*More details will be on school website &
postings in community*

Tuesday:

- Bonfire at Milo ballfields • Announce Homecoming court
- Faculty/student competitions

Wednesday:

- Dress up day • Decorate schools • Vote for king & queen
- Pep rallies at Primary & Intermediate Schools

Thursday:

- Dress up day • Decorating • Evening activities at High School: powder puff, skits, community pep rally, king/queen coronation

Friday:
