SEPTEMBER EVENTS

- School Board Election
- Blood Drive
- Student & Staff Pictures
- Homecoming Activities
- *see calendar, page 7 for details*

Homecoming 2011

Due to the timing of the first day of school, final plans for Homecoming are not available at this time. During the first week of school student meetings will be held to finalize the plans for the week of September 26-30. Below are tentative plans, and updates will be posted on the school website and through weekly communications from the school buildings.

Monday

- Decorate classroom doors, paint Media Center windows

Tuesday

- Dress-up Day

Wednesday

- Dress-up Day • Pep rallies at Primary & Intermediate buildings
- Vote for King & Queen

Thursday

- Dress-up Day • Evening activities at the high school
- 5:00 Booster club serving supper
- 5:30 Jersey auction
- 6:00 Coronation
- 7:40 Pep rally - cheerleaders, pep band, Adrenaline Dance Team performance

Friday

- Green & White Day • Pep rally • Football game

Saturday

- 8:00 Homecoming Dance at High School
- \$3/person \$5/couple \$4/person wearing jeans (no couple deal)

To Be Announced:

- Theme
- Dress-up day themes
- Additional evening activities (powder puff football, macho man volleyball)

SUBS WANTED

Can you fill in occasionally at school? We can always use substitute teachers, associates, cooks & bus drivers. We need to keep a good list of people to call to fill in for absent employees.

Applications are available at any school building or on the school website.

JR-SR HIGH SCHOOL

Delane Galvin, Principal/Superintendent

Summer certainly provided a variety of weather for us to endure - from cold & rainy to extreme heat & humidity, and finally to perfection in August. I hope everyone found something fun to do within that time. My family & I traveled a lot, including Jamaica, Yankton, SD, and Estes Park, CO.

Most people wonder what we do here in the summer while the students and teachers are on break. There weren't many quiet days between the construction, band lessons, driver ed classes, basketball, volleyball, dance and football camps, weightlifting, and finally fall sports practice. It was a tough task for Dennis & Andrew to wax floors around all that activity.

Great job to all our summer custodians, who worked as a team to polish and refurbish our buildings: Dennis Green, Silas Andersen, Howard Phippen, Andrew Gladfelter, Julene Ripperger, Candy Cronbaugh and Shannon Hommer.

Mr. Dirxx worked hard to prepare student schedules and have them ready to go for fall this year, along with processing student transcripts & records.

Mrs. Ellingson put in a lot of time replacing our network firewall and "fighting insects" - a "worm" was discovered in our computer system and she is still working out all the "bugs" from the new firewall, as we had trouble receiving email attachments.

Mrs. Chambers worked on preparing a complicated Hazard Mitigation Plan, which we must submit if we ever need to apply for FEMA funds.

Our district professional development schedule for teachers was fine tuned and will emphasize:

- Instructional Decision Making at the Secondary and Intermediate,
- Concept Oriented Reading Instruction at the Intermediate
- Enhancing Reading Instruction at the Primary
- K-12 Curriculum collaboration among all three buildings.

Ford Test Drive: Thanks to all the folks that came in and test drove a Ford for our school fundraiser. As you know, for each survey/test drive SEW received \$20. I receive a call from Noble Ford that we raised close to \$4,000. Thank you again!

We have two school board seats to vote on, so please review the selection of candidates and vote on September 13th.

I do like to communicate to our Jr-Sr High parents through weekly emails, so if you have not submitted a current email address, please call Connie in my office.

We're off and running for 2011-12.
Its great to be a Warhawk!

Summer Honors

Record Herald and Indianola Tribune All-County Team

Seth Nutting, 1st team utility
Sami Lawton, 2nd team outfield
Austin Allen, 2nd team infield
Logan Putz, 2nd team infield
Carter Horton, 2nd team outfield

Pride of Iowa All-Conference

Seth Nutting, 1st team pitcher
Skylar Kellis, 2nd team infield

Class of 2012 After Prom

It has been a busy summer working Newton Races, Wells Fargo, Milo 4th of July, and Lacona Celebration. Thank you again to all who put in time to help. It is now time to start planning events that will occur during the school year such as 50-50 raffles, Warhawk Fan of the Week, and ice cream sales. Our next meeting is Tuesday Sept.6 at 7 pm. We welcome everyone's help and input. We hope this is a time you can all attend.

submitted by Donna Clay

Dance Team

Adrenaline Dance Team is sending six dancers to All Iowa Try Outs in Ames on September 11th. If any of our members are selected they will perform at the state basketball tournament in March 2012.

New Coaching Assignments

Football

Dan Krull, co-head coach
Jared Boysen, co-head coach
Zeb Birchette, assistant coach

Volleyball

Angie Freeman (Steil), head coach
Cathy Burrell, assistant coach

Cross Country

Jim Carr

Athletic Booster Club

The booster club will be holding their first meeting for the 2011-2012 school year on September 14th, 7:00 PM, in Liberty Center.

My name is Sarah Banwarth, and I am a Certified Athletic Trainer for Accelerated Rehabilitation Centers. I graduated from Iowa State University in 2008 with my B.S. in Kinesiology and Health. I have over 3 years as an ATC working with Professional, Division I, Division III, and NAIA athletic teams.

The role of a Certified Athletic Trainer is vital to the athlete's performance, health and education. I am an allied health professional that is trained in the prevention, recognition, immediate care, treatment and rehabilitation of athletic injuries. I am here as a resource for our athletes as well as our faculty and staff that may have any questions or concerns regarding their health and/or sports performance.

Should student athletes have any questions or concerns regarding health-care please always feel free to use me as a resource. You can reach me at: 563-543-3505 (cell) or by e-mail: sbanwarth@acceleratedrehab.com.

Founded in Chicago in 1989 by Randolph Frieser, Physical Therapist and President, Accelerated has grown to over 111 outpatient rehabilitation centers in Illinois, Indiana, Iowa, Michigan and Arizona, offering patients the most technical rehabilitative care available by therapists with decades of training and experience. Accelerated Rehabilitation Centers is the premier provider of physical rehabilitation services. We are dedicated to our patients' rapid and safe return to work and recreation. Accelerated offers a hands-on, service-oriented approach that our patients value.

The closest ARC clinic to SE Warren High School is located in Indianola, IA, at 1709 N. Jefferson, Ste. 100, next to Pizza Ranch.

*Sarah K. Banwarth, MBL, ATC/L
Certified Athletic Trainer
Accelerated Rehabilitation Centers*

Ms. Banwarth will be at the high school every Tuesday from 8:00-9:00 a.m. to evaluate injuries. Students should sign up with Mr. Jones prior to that time.

Vocal Notes

The Vocal Music Dept. is starting off at a running speed this Fall. Many students will be performing in the musical "Wizard of Oz" on Friday, Nov. 4 and Saturday, Nov. 5. We will be having an informational meeting of the parents of performers on Tuesday, Sept. 6 at 6:30 in the auditorium (Vocal Room) of the High School. We will have schedules for you and address any concerns you may have. This is also a time to have interested parents join production committees which will make our play and community production. We look forward to sharing this project with you.

We are having a meeting of the parents of students going on the New York trip in March. This meeting will be held at 7:15 on Tuesday, Sept. 6 in the auditorium (Vocal Room) of the High School. We will discuss fund-raising and itinerary plans. If your child is going, please plan on being there. If you can't be there, please let me know and I will contact you and send the info shared.

Every year is a new beginning and I cannot wait to share music with young people. We are always blessed with such a great pool of talent, it is very exciting to see them "blossom."

Scrapping Our Way to NYC

The Jr/Sr High Vocal students are raising \$\$ for our upcoming New York Trip by collecting scrap metal. On Saturday, September 10 we will be bringing trucks to all three towns to collect scrap metal which you can lay out along the curb.

We would love anything you contribute with the exception of washing machines, refrigerators, or gas or electric ranges.

Our collection will start at 9:00 and end when we are done. If you live in the country and need to have us pick up at your residence, please email me @ Lynnea.Young@se-warren.k12.ia.us or call and leave a message at school. 641-466-3331 ext. 116 and we will come to your place for pickup.

We have a huge amount to raise and this could be a very great way for you to clean out your junk areas and help our students in this educational experience. Please feel free to call if you have any questions or concerns!

Blood Donors Save Lives

A Southeast Warren Community Blood Drive will be held on Thursday, September 29th from 8:00 AM – 1:00 PM at the High School Gym

Each year, thousands of people in Iowa give selflessly of themselves by making a blood donation with LifeServe Blood Center. Through this simple act, donors create the vital link between life-giving blood and the hospital patient who needs it. We need neighbors helping neighbors and people who want to make an impact on a local level.

Did you know?

- Only 38 percent of the U.S. population is [eligible](#) to donate blood but less than 10 percent donate annually.
- There is no substitute for human blood.
- You cannot get AIDS or any other infectious disease by donating blood.

- Healthy adults who are 16 years old and weigh at least 120 pounds may donate one pint of whole blood – the most common form of donation – every 56 days.
- One unit of whole blood is roughly the equivalent of one pint.
- About 1 in 7 people entering a hospital need blood.

- Females receive 53 percent of blood transfusions; males receive 47 percent.
- One unit of blood can be separated into several components: red blood cells, plasma, platelets.
- Fourteen [lab tests](#) (11 for infectious diseases) are performed on each unit of donated blood.

More than 3,000 units of blood are needed each week to maintain an adequate blood supply in our community and to meet rising transfusion demands across the country. In fact, nine out of ten by people who live to age 70 will use blood during their lifetime. New, first time donors, as well as established donors, are needed to expand and sustain the donor base. Scheduled appointments help LifeServe Blood Center ensure the right amount of blood is being collected each day to serve patients in the community.

- ✓ **Schedule your appointment today by contacting any FCCLA member or Kim Heim at 641-466-3331 ext. 100 or by emailing at Kim.Heim@se-warren.k12.ia.us.** *Thank you for your support!!!*

PRIMARY SCHOOL Charlotte Weaklend, Principal

Welcome back! We are excited about the beginning of our 2011-2012 school year. We'd like to welcome Amanda Nunn as our new media specialist and Jennifer Phinney as a part time daycare employee.

Open House was held during the evening of August 23rd. Thanks to everyone who attended. Our K-3 students' classes began on August 24th. The pre-school students' first day of school was August 29th, with 4-year-olds meeting either in the a.m. or the p.m. on four different days a week. We split our 3-year-old class this year, so that half meet on Monday and Tuesday mornings and the other half meet on Thursday and Friday mornings. Currently we have a total of forty children enrolled in our 4-year-old classes and twenty-two enrolled in our 3-year-old classes.

Completion of our new gymnasium, originally scheduled for the beginning of the school year, has now been reset for October 16th. We are certainly looking forward to the completion of that project and the use of that wonderful new facility.

Teachers are diving into their new reading series. Special professional development has been implemented to help the teachers align the state's new Core Curriculum with our reading instruction, and plans have been made to incorporate the new series' expanded materials to meet the specific needs of individuals and groups of student as we analyze our ITBS, DIBELS, and end-of-the-unit assessments to make instructional decisions.

Our first month of school finds us talking about the character trait of "responsibility". Our first character assembly of the year will be held on the

afternoon of September 9th, and will incorporate recruitment presentations from leaders of both the Boys' Scouts and Girls' Scouts. The children will be bringing home sign up information following that presentation.

As always, communication with parents and community are a priority of our school. Articles will appear monthly throughout the school year in this newsletter. In addition, parents will be receiving weekly newsletters from their child's homeroom teacher, as well as a weekly building newsletter from me. Should you have any questions at any time or would like to volunteer some hours for our students, be sure to contact me at 641-942-6216 or at charlotte.weaklend@se-warren.k12.ia.us.

Our first teacher-parent-community organization "PIE" that benefits both of the district's elementary schools will be meeting on a monthly basis throughout the school year. All are welcome to attend. Watch for future communications for meeting dates and times. Thanks for you continued support of our programs and services!

Southeast Warren Community School District
Regular Board Meeting
 July 18, 2011

The Southeast Warren Board of Education met in regular session July 18, 2011 in the ICN room of the Junior/Senior High School building. Board President Paul Mead called the meeting to order at 5:33 p.m. The following board members were present: Larrie Williams, Jennifer Mihalovich, Marianne Lester, and Ron Miller. Superintendent/Secondary Principal Delane Galvin, Transportation Director Joel Mosher, and Board Secretary Julie Wilson were in attendance, along with members from the community.

AGENDA: Motion by Jennifer Mihalovich, seconded by Larrie Williams to approve the agenda. Ayes: 5.

BOARD SALUTES: Chuck Jones commended Candy Cronbaugh for doing such an excellent job of taking care of the ball fields this year.

REPORTS:

Transportation Report submitted by Joel Mosher:

We had 32 extra bus trips for the month of June. I had time servicing and repairing the lawn mower in Milo. Buses have been rotated in to the body shop for rust damage repairs. The 2002 Windstar will no longer be used to transport students; the cost to repair the rust damage exceeds the value of the van. The rest of the month was spent doing general repairs.

Primary Principal's Report submitted by Charlotte Weaklend:

By adding one eighth time to Donna Clay's contract, we will be able to split our class of eighteen three-olds in half and offer a choice of either Monday and Tuesday mornings or Thursday and Friday mornings to parents of 3-year-old preschool children during the 2011-12 school year. All classes run from 9 to 11 a.m. The monthly fee for two days a week will be \$40, with a one day a week option available for \$20 per week. Donna will be using the state-approved Creative Curriculum materials, for which she will be receiving training this summer. Megan Doty, the preschool teacher, is being excused from teaching the three-year-olds this year so that she can concentrate on her two four-year-old classes that meet four times each per week. She will also be meeting with the AEA early childhood consultants on a regular basis and updating the Iowa Quality Preschool Program Classroom Portfolio, in preparation for the 2012-13 state site visit.

Summer custodial projects - besides the regular cleaning of the buildings, mowing, and grounds

clean up following baseball/softball games - are minimal this year, with our full time custodian installing a drop down ladder for easy access to storage space above the daycare ceiling and refurbishing some of the old classroom stand-alone shelving that came over from the old building. The half time position, which has almost exclusively involved the outside work so far this summer, is being shared by two of our regular teacher associates this summer.

Daycare attendance is down approximately ten to twelve children this year from the previous two years. We are adjusting staff hours accordingly, maintaining at least a ten children-to-one supervising adult ratio at all times, as recommended by the state, but sending staff home when they are not needed for the entire length of their assigned work period. We serve a CACFP-approved and sponsored breakfast, lunch, and afternoon snack daily. Reimbursement from this federal program, which is managed by the state, is paid to the district, based upon the families' ability to pay, throughout the school year (including vacation periods) and the entire summer break. The older children have visited the school computer lab on a regular basis and attended a couple of the public library's story hours, as well as several junior high softball games. The younger children have enjoyed trips to the park and story hours that are specifically identified for them.

Specials and duty schedules have been written for the 11-12 school year, with final revisions to be completed in August, after consideration of final input from the teaching staff. The kindergarten through third graders will each have art, physical education, music, and library once in a four day cycle later in the mornings. They will have both guidance and character classes one day each week, with computer classes twice a week in the afternoons. Daycare enrollment forms have been updated. The professional development calendar has been coordinated with the availability of AEA consultants and finalized. Monthly character themes have been determined and classrooms have been assigned to character assembly presentations. Teacher and associate meeting schedules have been worked out, as have the dates for report cards to go home throughout the year. The three-year teacher / staff evaluation cycle has been determined, and required budgeted general classroom and curriculum materials have been ordered. Teachers will sign up for membership in committees designed to organize the various events scheduled throughout the school year. A small Teacher Quality stipend is paid for the teacher's work on these committees.

The new reading materials are almost all here, and several of the teachers have spent time in

the building this summer, organizing and becoming familiar with those materials. Our last professional development of the school year included an overview from the Houghton Mifflin Harcourt representative, who is scheduled to return twice during the 11-12 school year to provide further instruction in the use of the materials, including gaining access to on-line resources. So far, we have been quite impressed with the quality and thoroughness in incorporating all of the most current scientifically-based reading principles and techniques in this new reading program. It really seems to be a very good fit with our now well-established IDM process of delivering reading instruction.

One of our goals for professional development during the 2011-12, and possibly the 2012-2013 school years, is to revise our present report cards. We will begin with an in depth review of the Common Core curriculum for each of the subject areas. While we are responsible for teaching each of those criteria, we will then collectively determine a list of bench marks for each subject and at each grade level to report student progress out to parents. (Some criteria may be combined with others. Some may be reported out at a more advanced level at an upper grade.) Next, we will begin the process of crafting a new reporting tool that incorporates some of the principles of standards-based report cards, while giving parents a more concise view of their child's progress than just a check next to a satisfactorily completed general bench mark. Once a rough draft has been completed, parent and community training and feedback about the new reporting instrument will be crucial. As we initiate changes in a long-standing tradition in how progress is reported at the Primary level in our school district, we must proceed slowly and carefully.

Athletic Director Report submitted by Chuck Jones:

The baseball/softball season is over. The girls finished 6/21 and the boys finished second in the conference. All Conference selections will come out later.

The new bleachers have been delivered but will need to be assembled.

CONSENT AGENDA: The following items were on the consent agenda:

1. June 13, 2011 minutes
2. Financial reports
3. Second reading of Board Policy 405.2R, "Travel Regulation"
4. Second reading of Board Policy 804.7, "Fund Balance Reporting and Governmental fund Type Definition"

Motion by Ron Miller, seconded by Marianne Lester to approve the items on the consent agenda. Ayes: 5.

continued, page 6

Board Minutes, cont'd

SUPERINTENDENT'S REPORT: Superintendent Galvin reported on the following items:

1. Interviews will be held tomorrow for the 6th grade position.
2. Summer work in the buildings is progressing. There are only 5 ½ weeks before school starts.
3. August 8th is registration day. Ford will have vehicles available to test drive during registration hours; the school will earn \$20 for each person who test drives a vehicle.
4. School board elections will be held this year. Members whose term is expiring are Larrie Williams, Jennifer Mihalovich, and Marianne Lester.

GREENHOUSE DESIGN AND ESTIMATED COSTS: Dan Hunt presented information to the Board concerning the construction of the greenhouse at Liberty Center. The estimated costs are projected to be \$54,375 with an add of \$3,770 for a concrete floor in lieu of a rock floor. Superintendent Galvin related to the Board that the project had originally been budgeted at \$32,000 from the sales tax bonds. Superintendent Galvin recommended paying for the additional cost over the budgeted amount from PPEL. Motion by Larrie Williams, seconded by Marianne Lester to approve the estimate with the addition of the concrete floor and to pay the balance of the project from PPEL after the budgeted amount of \$32,000 from bond proceeds has been spent. Ayes: 5.

MODIFICATIONS TO MILO AND LIBERTY CENTER BUILDING PROJECTS: Dan Hunt related to the Board that three change orders for the Milo and Liberty Center building projects will be reviewed at the construction meeting with the contractor tomorrow. Two of the change orders are for additional framing requirements at Milo and Liberty Center and the third change order is for additional blocking required at the basketball goals. Dan recommended waiting to take board action on the change orders until after the meeting with the contractor. The consensus of the Board was to allow the Superintendent and one board member to approve change orders of \$5,000 or less prior to Board approval.

PERSONNEL CHANGES: Superintendent Galvin recommended approving the resignation of Kelsi Christensen, Elementary Instructor; approving the appointments of Candy Cronbaugh, Part Time Summer Custodian; Shannon Homer, Part Time Summer Custodian; Megan Weeks, Part Time Summer Daycare Associate; Mary Mitzelfelt, Part Time Summer Daycare Associate; Jennifer Phinney, One-On-One Associate; Kathy Taggart, Summer School Instructor; Kathy Taggart, Extended Year Special Education Instructor; and Doris Gillespie, Daycare Cook

(summer position); and approving the contract modifications of Sue Ellingson from Technology Aide to Technologist; Amanda Nunn, increase contract from 75% to 100%, an additional 1/8 for increased band time and another 1/8 for the addition of Media Specialist duties; Donna Clay, increase contract from 5/8 to 6/8 time for the addition of teaching the three-year-old preschool class; and Mary Mitzelfelt, transfer from One-On-One Associate (37.5 hours/week) to One-On-One Associate/Daycare Associate (30 hours/week). Motion by Ron Miller, seconded by Larrie Williams to approve the personnel changes as presented. Ayes: 5.

DANCE TEAM VOLUNTEER COACHES: Superintendent Galvin related to the Board that he has had numerous emails since the last board meeting from parents of the dance team members requesting to be volunteer coaches. Superintendent Galvin asked for Board input on how to proceed with all of the requests and yet keep it equitable for the volunteers involved so that we do not have too many people trying to lead the dance team members. Coach Lawton was also present to answer questions from the Board. Motion by Jennifer Mihalovich, seconded by Larrie Williams to eliminate all volunteer coaches. Ayes: 5. It was noted that anyone that wants to be involved with the dance team program is encouraged to become active in the parent group that supports the dance team.

HAZARD MITIGATION PLAN: This item was tabled until the August board meeting.

FIVE YEAR EXPENDITURE PLAN FOR FACILITIES, TRANSPORTATION, AND TECHNOLOGY: Superintendent Galvin reviewed the updated five year expenditure plan for facilities, transportation, and technology. Motion by Ron Miller, seconded by Marianne Lester to approve the five year expenditure plan for facilities, transportation and technology. Ayes: 5.

SHARING AGREEMENT WITH MELCHER-DALLAS SCHOOL DISTRICT FOR GUIDANCE: Superintendent Galvin recommended approving the agreement to share the Elementary Guidance Counselor with the Melcher-Dallas School District one day a week. Melcher-Dallas will reimburse Southeast Warren School District for 20% of the Elementary Guidance Counselor's salary. Superintendent Galvin also related to the Board that discussion has taken place concerning sharing additional activities next year. Motion by Larrie Williams, seconded by Jennifer Mihalovich to approve the sharing agreement with Melcher-Dallas School District for Guidance. Ayes: 5.

LUNCH PRICES FOR 2011-2012: Superintendent Galvin recommended increasing the lunch

prices for the 2011-2012 school year by \$.05 per lunch due to regulations established by the state. Motion by Jennifer Mihalovich, seconded by Ron Miller to approve increasing the lunch prices for 2011-2012 by \$.05. Ayes: 5.

STUDENT FEES FOR 2011-2012: Superintendent Galvin recommended increasing the book rental fee from \$60 to \$65 and increasing activity passes by \$10 each to keep up with increased expenses. Motion by Ron Miller, seconded by Marianne Lester to approve increasing student fees for the 2011-2012 school year as recommended. Ayes: 5.

STAFF HANDBOOKS: Superintendent Galvin recommended approving the staff handbooks with the changes as outlined. Motion by Jennifer Mihalovich, seconded by Larrie Williams to approve the staff handbooks with the changes as recommended. Ayes: 5.

PK-12 STUDENT HANDBOOK: Superintendent Galvin recommended approving the PK-12 student handbook with the changes as outlined. Motion by Larrie Williams, seconded by Jennifer Mihalovich to approve the PK-12 student handbook. Ayes: 5.

President Paul Mead adjourned the meeting at 7:03 p.m.

Lunch Account Balance:

It is important that lunch account balances be maintained as a positive amount. Once an account reaches \$5.00 the family/student will be notified that the account is getting low. Negative balances of \$10 for an individual account or \$20 for a family account will result in an alternate but approved meal being served to the student until the account balance is positive.

To access your lunch account and/or make deposits online, call the high school or email: sue.ellingson@se-warren.k12.ia.us. You may deposit any amount into your family/student account.

DAILY LUNCH PRICES: \$1.60 (K-6) \$1.70 (7-12) \$.40 (Reduced) \$2.60 (Adult)

DAILY BREAKFAST PRICES: \$1.00 (K-12) \$.30 (Reduced) \$1.25 (Adult)

Milo City Hall

YOUTH BASKETBALL SIGN-UP'S

Sign-up will be Sunday, September 25th, at the Milo City Hall and Lacona School Gym from 4:00 to 6:00 p.m. The registration fee is \$25.00 which will include a T-shirt. If you have any questions or cannot make it to sign-up please call President Bill Baughman @ 515-210-1294. Cutoff date for sign-ups will be October 2nd.

This year's board meetings will be on the first Sunday of every month @ 7:00 p.m. at the Milo City Hall. The only variance from this will be if the first Sunday of the month falls on a holiday or holiday weekend, in which case the meeting will be moved to the following Sunday @ 7:00 p.m.. Everyone is welcome to come and participate.
