 1:30 pm dismissal

April 27  
 Kindergarten Round-up  
 for 2018-2019 students

April 27  
 No regular PRE4  
 No regular Kindergarten

Dear Parents,

February 23, 2018

**Thursday, March 1** – We kick off our annual Reading Week. Lunch will include Green Eggs & Ham and there will be an assembly at the end of the day. **Friday, March 2** – We are celebrating Dr. Seuss' Birthday! - *Dress as your favorite book character. Also on Friday - March 2 - ReadQuest - Students will be competing for AR points in ReadQuest.* ReadQuest is a one-day event that brings K12 students from all over the country together to celebrate the power of reading—and the incredible places it takes us. See next week's newsletter for more fun reading week activities.

**Pre-School and Kindergarten – To enroll your child in 2018-2019 kindergarten or 4-year-old preschool class call the office 641-942-6216 or email patty.harrington @se-warren.k12.ia.us. The morning 4-year-old class is full and there is a wait list. There are still spots available in PM class. To register for 3-year-old preschool contact the Elzora Town Daycare Center at (641)942-6138.**

**Preschool Open House - There will be a 2018-2019 Preschool Open House at the Milo Primary Center on Thursday, March 8 from 6:00 to 7:00 p.m.** for children who will be three or four years old by September 15, 2018, and their parents. This is an opportunity to visit the classroom, meet the teachers, learn about the curriculum and health/immunization requirements, and complete the pre-registration process. You may attend the open house even if your child is not officially signed up.

**February is National Para-Educator Month.** We would like to recognize the para-educators here in the primary building. Our para-educators are Candy Cronbaugh, Stacey Clendenen, Brenda Core, Abby Chancellor, Shannon Hommer, Ruth Koch, Haley Spaur, Phyllis VandeLune and Kathy Vander Ecken.

**February is Children's Dental Health Month!** The I-Smile™ program would like to remind parents the key to a lifelong healthy smile is early preventative care. Beginning regular dental visits by the age of 1 and continuing thru adulthood, using fluoridated water, and brushing twice daily can help prevent cavities from forming in a child's mouth. Children with dental pain or cavities can make it difficult to focus on learning new skills at school and home as well as eating which helps their bodies grow! The I-Smile™ program can assist with locating a dentist for your child, scheduling dental appointments, dental insurance options, transportation, etc. Questions? Your I-Smile Coordinator, Sarah, would be happy to assist you! (515)961-1074, sarahp@warrencountyia.org

- Mr. Burrell

### ***The School Day just got Healthier - Did you know?***

*Give it a try! Fruits and veggies give you energy to help you be a champion when you run and play. Eat them at school and at home every day as a meal, snack or dessert.*
