

SOUTHEAST WARREN SCHOOL PANTRY PROGRAM

The Southeast Warren pantry is for families and students of the Southeast Warren district and is starting its second year of existence.

The pantry is located in the ICN room at the Jr/Sr High School just inside the southwest building entrance. The pantry is typically open the last Wednesday of every month.

Dianne Chambers and school personnel help facilitate access to the pantry and oversee operation. The school pantry will be stocked with products similar to a regular pantry.

The pantry asks that families complete and turn the Emergency Food Assistance Program Eligibility form prior to utilizing the food pantry, but no one will be turned away from the pantry.

Monetary donations may be made to the Southeast Warren Food Pantry.

Please email Dianne Chambers RN with any questions or immediate needs at dianne.chambers@se-warren.k12.ia.us

DURING THE FIRST YEAR OF SEW FOOD PANTRY

- An average of 14 households and 45 people were served each month.
- Over 5,000 lbs. has been distributed.
- We hope to keep growing our pantry and helping even more.
